Q+A

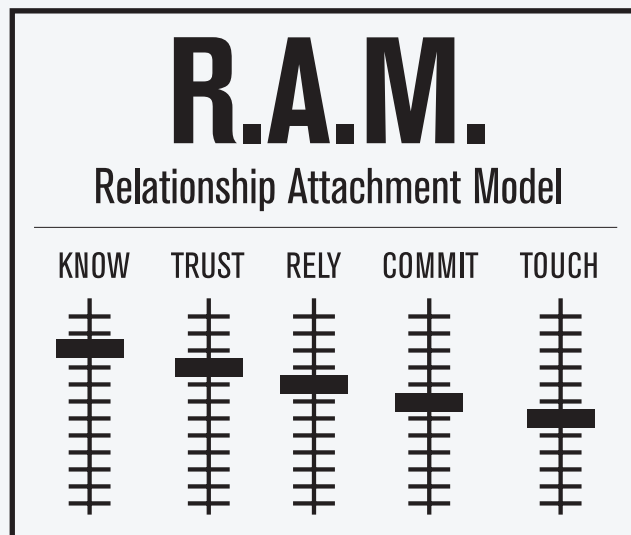

Reach your congregation AND community

This series can be used in just about any existing structure of the church-Sunday services and classes, home groups, youth groups and retreats. It also is the perfect outreach to your community! We will help you prepare for this series, involve your congregation, and reach your community.

What's is the RAM Series?

RAM Series is a 6-week sermon series on healthy relationships with complementary curricula for K-12th grades and two video-based discussion group tracks: one for singles about dating and another for couples in marriage.

The RAM Series is unique because it provides a common understanding and language for **all** relationships with the RAM, the framework for the content in the sermon series, the elementary and youth classes, and the two small-group tracks for singles and marrieds.
